

1. Is Signagelive still available?

Yes. Signagelive remains fully available and supported. There are no changes to the platform or your service.

2. What is changing?

The Signagelive website is being consolidated into the Navori website.

You can now access everything from a dedicated page: navori.com/signagelive

3. Has anything changed in my service?

No. Your Signagelive service, login, and features remain exactly the same.

4. Where do I log in?

You can access your Signagelive CMS here: navori.com/signagelive

5. Has the login process changed?

No. The login process remains unchanged. The new page simply centralizes access.

6. Where can I find support?

Support is still available through the Signagelive platform (CMS).

You can also find support resources on the new page: navori.com/signagelive

7. Do I need to take any action?

No action is required. You can continue using Signagelive as usual.

8. Why is this change happening?

This is part of the integration with Navori to simplify access and bring everything into one place.

9. What is Navori?

Navori is a global digital signage provider. Signagelive is now part of Navori, and both platforms continue to be available.

10. What if I can't find something I used before?

Most content has been moved or redirected.

If you need help, please contact support or use the resources available on the new page.
